

Seminar 2024

16th MEDICINAL & AROMATIC PLANTS MAPS-16

**DISCOVERY, DEVELOPMENT & COMMERCIALISATION OF NATURAL PRODUCTS:
CHALLENGES & OPPORTUNITIES**

25-26 JUNE 2024 | FRIM, KEPONG MALAYSIA

About MAPS-16, 2024

A platform for the stakeholders and enthusiasts alike to discover, share and discuss latest development in natural products (including but not limited to medicinal and aromatic plants) R,D,C and I initiatives as well as fostering and establishing networking for potential collaborations.

Objectives

- To promote and disseminate information, technologies and applications related to medicinal and aromatic plants.
- To discuss issues, challenges and opportunities related to natural products-based industries.

PLENARY

Natural Products Research, Development, Commercialisation & Innovation (R, D, C & I) Initiatives in the Era of Climate Change Uncertainties
